**INFORMATION DISCLOSED
UNDER 37 C.F.R. §§ 1.56, 1.57**

Attention is hereby directed to the following reference(s) listed on the attached
in connection with the examination of the above-identified patent
disclosed. [redacted] documents constitute "prior art" under U.S. patent law reg-
arding the above-identified patent.

Asst. Commissioner of Patents and Trademarks
Washington, DC 20231

Dear Sir:

Commissioner of Patents and Trademark
Washington, DC 20231

Dear Sir:

The Examiner's attention is hereby directed to the following references:
Form PTO-1449 for consideration in connection with the examination of the above-identified application. One copy of the reference(s) is enclosed.

This submission does not represent that a search has been made or that no better art exists and
is an admission that each or all of the enclosed documents constitute "prior art" under United States patent law regarding the invention.

Any of the submitted documents do not constitute "prior art" under United States patent law regarding the invention. It is requested that you take appropriate action to establish the patentability of the invention over the references be-
lieved to be pertinent to the invention.

does not constitute a determination that the information
should be determined that the information
law, applicant(s) reserve the right to
status of such documents.
or reserve the

This submission is made under the provisions of the Patent Act.
This does not constitute an admission that the invention described herein
should be determined that any of the submitted documents are prior art to the
States law, applicant(s) reserve the right to present to the
the appropriate status of such documents.

Applicant(s) further reserve the right to take appropriate action to establish
the disclosed invention over the enclosed references, should one or more of the references
against the claims of the present application.

I hereby certify that this correspondence is being deposited
with the United States Postal Service as first class mail in an envelope
marked "Patent Correspondence".
